OUR SERVICES

1- RECEIVABLE MANAGEMENT

Nasaq Alroya provides comprehensive receivable management services designed to improve cash flow stability and reduce overdue receivables. Our approach includes detailed receivable analysis, debtor profiling, risk classification, and structured follow up strategies. Through professional engagement and systematic monitoring, we help clients accelerate payment cycles while maintaining positive business relationships and minimizing financial losses.

2- BUSINESS ADVISORY & RISK MANAGEMENT

Our business advisory and risk management services focus on identifying financial vulnerabilities and strengthening internal control frameworks. We evaluate credit policies, operational procedures, and financial structures to design effective risk mitigation strategies. These services support informed decision-making, improved governance, and long term financial resilience.

3- DEBT MANAGEMENT

We offer end-to-end debt management solutions for businesses and individuals facing financial challenges. Our services include liability assessment, restructuring strategies, negotiation support, and recovery planning. Our objective is to develop realistic and sustainable solutions that balance recovery objectives with financial stability.

4- LEGAL DEBT SETTLEMENT

Our legal debt settlement services facilitate structured and compliant negotiation processes to resolve outstanding financial obligations. We ensure that settlement agreements are enforceable, legally sound, and aligned with UAE regulatory frameworks.

This service helps clients reduce disputes, avoid prolonged litigation, and achieve fair settlement outcomes.

5- CREDIT RISK ADVISORY

Nasaq Alroya provides professional credit risk advisory services to help organizations assess creditworthiness and manage financial exposure. By analyzing financial statements, payment behavior, and market indicators, we deliver actionable insights that strengthen credit policies and reduce default risks.

6- DEBT COUNSELLING

Our debt counselling services support clients in understanding their financial obligations and developing structured repayment plans. We provide practical guidance that empowers clients to regain control over finances and improve long term financial discipline.

7- DEBT CONSOLIDATION

We assist clients in consolidating multiple financial liabilities into manageable and structured repayment arrangements. This service simplifies financial obligations, enhances clarity, and supports financial stability.

8- BANKRUPTCY & INSOLVENCY SUPPORT

Nasaq Alroya offers expert advisory support for clients navigating bankruptcy and insolvency procedures. Our guidance ensures regulatory compliance, clarity on legal options, and informed decision making throughout the process.
